IMPORTANT INFORMATION FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money-laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. This information will be verified to ensure the identity of all individuals opening a mutual fund account. Any documents that we request (i.e., a driver's license) will be used solely to attempt to establish your identity. If the account is being opened on behalf of a trust, corporation, partnership or other entity, we will require further information about individuals with authority or control over the account. **Please make sure to provide all the required information. Incomplete information will delay your investment. The Funds will not process your investment until all required information has been provided and this form has been signed.**

1. Initial Investment
