The performance data quoted represents past performance. Past performance is no guarantee of future results. The investment return and principal value of an investment will fluctuate; an investor's shares, when redeemed, may be worth more or less than their original cost. The Adviser has agreed to waive and/or reimburse certain Funds' expenses, if necessary, pursuant to a contract expiring on August 29, 2037, unless renewed for another 11-year term and the Funds' transfer agency expenses may be reduced by expense offsets from an unaffiliated transfer agent, without which performance would have been lower. Current performance may be lower or higher than the performance data quoted. For performance information current to the most recent month end, visit BaronCapitalGroup.com or call 1-800-99-BARON.
**Performance information for 2021 is from its inception date 7/30/2021 to 12/31/2021.*

1 - The Global Industry Classification Standard ("GICS") was developed by and is the exclusive property and a service mark of MSCI Inc. ("MSCI") and S&P Global Market Intelligence ("S&P") and is licensed for use by BAMCO, Inc. and Baron Capital Management, Inc. (each an "Adviser" and collectively "Baron Capital" or the "Firm"). MSCI, S&P, nor any other party involved in making or compiling the GICS or any GICS classification makes any express or implied warranties or representations with respect to such standard or classification (or the results to be obtained by the use thereof), and all such parties hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability and fitness for a particular purpose with respect to any of such standard classification. Without limiting any of the foregoing, in no event shall MSCI, S&P, any of their affiliates or any third party involved in making or compiling the GICS or any GICS classifications have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages. All GICS structure changes that have occurred since 2016 have been applied retroactively in historical holdings-based analyses, including performance attribution. The Adviser may have reclassified/classified certain securities in or out of a sub-industry within a sector. Such reclassifications are not supported by S&P or MSCI. **2** - Source: FactSet PA and Baron Capital. **3** - Individual weights may not sum to 100% or the displayed total due to rounding. **4** - Source: FactSet SPAR. Except for Standard Deviation and Sharpe Ratio, the performance based characteristics were calculated relative to the strategy's benchmark. **5** - The Adviser has agreed that, pursuant to a contract with an 11-year term terminating on August 29, 2037, it will reimburse certain expenses of the Fund, limiting net annual operating expenses (portfolio transaction costs, interest and dividend expense, acquired fund fees and expenses, fees and expenses related to filing foreign tax reclaims, and extraordinary expenses are not subject to the operating expense limitation) to 1.20% of average daily net assets of Institutional Shares. Only the Board of Trustees of the Fund may terminate the expense reimbursement agreement prior to its termination date. **6** - Performance characteristics for since conversion period are based on 16 monthly return data points and may not be statistically significant.

Risks: Non-U.S. investments may involve additional risks to those inherent in U.S. investments, including exchange-rate fluctuations, political or economic instability, the imposition of exchange controls, expropriation, limited disclosure and illiquid markets, resulting in greater share price volatility. Investments in developing countries may have increased risks due to a greater possibility of settlement delays; currency and capital controls; interest rate sensitivity; corruption and crime; exchange rate volatility; and inflation or deflation. Even though the Portfolio is diversified, it may establish significant positions where the Adviser has the greatest conviction. This could increase volatility of the Portfolio's returns.

Portfolio holdings may change over time. Current and future portfolio holdings are subject to risk.

Investors should consider the investment objectives, risks, charges, and expenses of the Fund carefully before investing. The prospectus and summary prospectus contain this and other information about the Fund and can be obtained from the Fund's distributor, Baron Capital, Inc., by calling 1-800-99-BARON or visiting BaronCapitalGroup.com. Please read them carefully before investing.

The **MSCI AC Asia ex Japan/India Linked Index Net (USD)** was created by the Adviser and links the performance of the MSCI AC Asia ex Japan Index for all periods prior to September 1st, 2024 and the MSCI India Index for all periods thereafter. The **MSCI India Index Net (USD)** is a broad-based securities index that is designed to measure the performance of the large and mid-cap segments of the Indian market. The **MSCI Emerging Markets Index Net (USD)** is designed to measure equity market performance of large and mid-cap securities across 24 Emerging Markets countries. MSCI is the source and owner of the trademarks, service marks and copyrights related to the MSCI Indexes. The MSCI Index(es) and the Portfolio include reinvestment of dividends, net of foreign withholding taxes, which positively impact the performance results. The index(es) are unmanaged.
